In occasione del Salone del Mobile 2019, Potocco mostra nuovamente la grande capacità nel farsi interprete dell'evoluzione dei modi di abitare e di vivere, rileggendoli attraverso il proprio heritage, e presentando per la prima volta, non più soltanto singole ambientazioni ma la propria rappresentazione di casa. Una casa che, grazie alla grande maestria aziendale nel lavorare i diversi materiali, valica i confini interni e si apre sempre più agli spazi esterni in un percorso senza soluzione di continuità. Nell'anno del suo 100° anniversario, l'azienda arricchisce il catalogo proponendo da un lato, nuove sedute e tavoli, da sempre suo punto di forza, e dall'altro nuove interpretazioni del lifestyle Potocco, attraverso librerie e contenitori in legno, così come sedute, tavoli e lettini per esterno, per vivere all'insegna del massimo comfort terrazze e giardini, senza dimenticare complementi dal carattere più decorativo.

On the occasion of the 2019 Salone del Mobile, Potocco shows once again its great capacity of becoming an interpreter of the evolution in the ways of living, scanning them through its own heritage, and presenting for the first time, not only individual settings but its own vision of "home". A home that, thanks to the company's mastery in working different materials, crosses the internal boundaries and opens up more and more to outdoor spaces in a seamless path.

During its 100th anniversary's year, the company enriches its catalog by offering, on one hand, new chairs and tables, which have always been its strong point, and on the other, new interpretations of the Potocco's lifestyle. Potocco expresses its lifestyle through bookcases and wooden cabinets, as well as chairs, tables and sunbeds for an outdoor use, to enjoy the maximum comfort of terraces and gardens, without forgetting accessories with a more decorative character.
