**poltrona pozzetto** \ *tub armchair*

Velis è un'articolata collezione di sedute pensata per rispondere alle diverse esigenze del vivere quotidiano, ideale in una sala d'attesa, in un ufficio o in ambienti domestici. Declinata nelle versioni sedia, poltrona, divanetto a due posti, lounge, sgabello singolo o doppio e panca, Velis esplora e risolve al meglio la relazione tra l'imbottito, rivestito in tessuto o pelle, e la struttura: gambe e seduta si incontrano in una cornice, in frassino o noce canaletto che, lasciata a vista, conferisce ricchezza al progetto.

*Velis is a comprehensive collection of seatings designed to meet the different needs of day-to-day living. Ideal for waiting rooms, an office or in the domestic environment, Velis is available in the chair, armchair, two-seater sofa, lounge armchair, single or double stool and bench version. Velis explores and solves, at best, the relationship between the upholstery, covered in fabric or leather and the frame: the legs and the seat join up in an ash or Canaletto walnut frame, left visible to give finesse to the design.*
