Trait d'union della collezione Grace è la struttura in frassino modellata in forme geometriche, morbide ed avvolgenti declinate in sedie, poltrone, poltrone pozzetto, divani e tavoli allungabili con piano tondo ed ovale.

L'inserto in giunco intrecciato a tela degli schienali, disponibile per sedute e divano, dona un tocco di unicità. Sedie e poltroncina sono inoltre disponibili nella versione imbottita in tessuto o pelle e frassino spazzolato.

The trait d'union of the Grace collection is the ash frame modelled in geometric or soft enveloping shapes, consisting of chairs, armchairs, tub chair, sofa and extendable tables with round or oval tops.

The woven wicker insert of the backrests, available for the chairs and sofa, gives a touch of uniqueness. Chair and small armchair are also available in the upholstered fabric or leather and brushed ash versions.
